

# **DUTIES AND LIABILITIES OF DIRECTORS PLUS CORPORATE GOVERNANCE BEST PRACTICES, KING IV™ MADE EASY AND NEW COMPANIES ACT UPDATE**

## **TWO DAY PRACTICAL WORKSHOP**

### **MASTER CLASS WORKSHOP OVERVIEW**

Corporate Governance is a partnership of shareholders, directors and management to provide wealth creation and economic well-being to shareholders and the wider community of stakeholders and society.

The board of directors is the focal point and custodian of corporate governance.

This two day workshop provides all the essential best practice principles and tools for both the board and individual directors to improve their effectiveness and achieve excellence in board and director governance performance and conformance. It will also deal with the interface of the New Companies Act and Corporate Governance Codes of Conduct and King IV.

### **MASTER CLASS WORKSHOP PURPOSE**

The purpose of the workshop is to empower the board to become a value creating board and to develop individual directors to be effective as strategic leaders and executive managers.

This workshop is ideal for public listed companies, private companies, state-owned enterprises and non-profit companies.
